TFOASIS/CANLNT

In connection with the TFOASIS investigation and pursuant to your authority, we attempted discreetly through [] to place appropriate intercept coverage on CANLNT, which as you will recall we did not feel could be directly requested through GCHS or the British intercept authorities. [] has now advised that unfortunately due to political considerations and due to the fact that the individual through whom they normally arrange such coverage is a personal friend of CANLNT, they were unable to effect any intercept coverage.
